Re: King County Emergency Worker Policy

Welcome to the King County Emergency Worker Program. The emergency worker program is provided for by state law and administered by local jurisdictions. Our emergency workers provide valuable services to our communities through their training, knowledge, skills and dedication. They are often placed in situations that require good judgment and high levels of responsibility. Our emergency workers are considered extensions of our staff during emergencies or disasters. Some groups will receive minimum training and others several hundred hours. We ask for social security numbers, dates of birth and driver's license numbers so we can conduct a thorough background investigation. Below are the steps to our process. We look forward to a long and mutually respectful relationship.

Process

1. Emergency Worker applicant completes the King County Emergency Worker Application (attached).
2. Applicant returns all pages of the application, attaching copies of his/her valid driver's license, copy of vehicle insurance card, and any special licenses (medical, engineers).
3. Return application to Unit Training Director for unit approval. Unit Training Directors will submit approved application packets to the KCSO Search and Rescue Coordinator for further processing.
4. The KCSO SAR Coordinator will review each application package (be sure to include animal sheet for dog or horse units), and will conduct a criminal background and driver's license check.
5. Applicants will need to turn in certifications showing successful completion of the NIMS-100 and NIMS-700 courses before a DEM (Department of Emergency Management) number or ID card will be issued. These courses can be taken online at <http://training.fema.gov/EMIWeb/IS/crslist.asp>
6. Once all paperwork has been approved and the background check completed, the SAR Coordinator will contact applicant to arrange an appointment to issue an ID card with photograph and signature of applicant. This initial ID card will be a temporary, 'Novice' level card, and will expire 12 months from the date of issue.
7. ID cards will expire every two years, at which point each member will need to complete the renewal application and an updated background check.

Other

- All members will read RCW 38.52 and WAC 118.04 that contain information on Emergency Worker / SAR program. (Links to laws www.wa.gov go to search for RCW and WAC)
- All members will attend a required King County Emergency Worker Introduction training within one year of approval.

For any questions, please contact the King County Search and Rescue Coordinator at email: sar.coordinator@kingcounty.gov, or phone: 206-205-8218.
